Request for Proposals

Municipal Advisor Services

Downtown Revitalization Public Infrastructure District

Located in Salt Lake City, Utah

Date of Issue: November 3, 2026

I. INTRODUCTION

The Downtown Revitalization Public Infrastructure District (the "District") is soliciting competitive sealed proposals from qualified municipal advisors with significant municipal advisory experience to serve as the District's municipal advisor beginning on or after November 1, 2026. The purpose of the engagement is to help facilitate the issuance of bonds for remodeling of the Rampton Salt Palace Convention Center, development of neighboring city blocks, and construction or renovation of related facilities as part of the completion of the downtown entertainment district (the "Project"). It is anticipated that the District will issue one or more series of bonds (the "Bonds") in 2027 secured by a portion or combination of sales taxes and tax increment revenues. The District desires to enter into an agreement with an experienced and capable municipal advisor firm (hereinafter referred to as "Advisor") to provide advisory services as specified in this Request for Proposal (this "RFP"). Details regarding the District's outstanding obligations can be found from their annual disclosure reports and audits available at: https://reporting.auditor.utah.gov/searchreports/s/.

It is anticipated that the District will enter into an agreement with the Advisor selected for an initial term of three (3) years with the potential of two (2), two-year extensions.

II. Minimum Qualifications

- Experience within the last 5 years advising Utah issuers on sales tax and tax increment bonds of more than $50 million.
- Experience within the last 5 years advising Utah issuers on development bonds of more than $50 million.
- Registration with the MSRB and SEC as a municipal advisor.
- No major regulatory censure or actions by the Securities and Exchange Commission or Municipal Securities Rule Making Board within the last ten years.
- Insurance Requirement – Detailed further below.

III. SCOPE OF WORK

The selected financial advisor will work closely with the District to provide advice and assistance including, but not limited to the following:

A. Analyze and make recommendations regarding the District's current debt structure, including opportunities for refunding, net present value savings compared with the value of call options, etc., at regular intervals.
B. Analyze and make recommendations regarding future debt issues.
C. Analyze the total life cycle costs associated with debt issuance.
D. Work jointly with bond counsel and underwriters to prepare, print, and distribute any necessary documents.
E. Function as receiver and evaluator of all underwriting bids to ensure the most favorable bond terms for the District, including verification of interest rates and other pertinent data. The Advisor will be responsible for coordinating and supervising the work of all parties involved to ensure timeliness and accuracy.
F. Review legal and other documents to ensure that the end result is a completed

financing that is in the best interests of the District.

G. Assist with annual disclosure reports, arbitrage calculations, and other compliance issues.
H. Communicate all relevant current developments, including among others, innovative financing techniques, market trends, federal influences on the debt market, and court rulings impacting debt management practices. This includes any SEC rulings and material events that may impact the District.
I. Participate in meetings as requested, including due diligence and presentations to the Board of Directors.
J. Advise and assist the District in obtaining the best possible credit rating from the various rating agencies, including assembly of rating presentation material and participation in any rating presentation to such agencies, as required.

IV. PROPOSAL SUBMISSION REQUIREMENTS

All proposals submitted for evaluation should include, but are not limited to, the following.

A. Please provide written confirmation that your firm meets each of the minimum requirements.
B. A brief description of the Advisor, including ownership, volume of business, number of employees in Utah, and number of years in business in Utah.
C. A narrative of the Advisor's overall business philosophy, Utah marketplace strengths and any other features that distinguish the Advisor and its service offerings from other advisors.
D. A description of the Advisor's involvement with the contemplated Project, Advisor's understanding of the financing structures, revenue sources, alternative structures to be considered, rating implications of the proposed financing and suggested financing plan.
E. A description of the team that would serve the District, including the responsibilities, expertise, experience (including number of years with Advisor), and education of each team member. The description shall also specify the individual who will be the lead advisor. Detailed resumes may be included as an appendix.
F. A list of Utah sales tax and tax increment transactions completed over the past 5 years with an emphasis on transactions in excess of $50 million.
G. A list of Utah tax increment transactions completed over the past 5 years.
H. A complete narrative of the Advisor's assessment of the work to be performed per Section III, the approach that will be used to meet the scope of services, and the resources necessary to fulfill the requirements.
I. A list of references (contact person, title, and contact information) of major public entities for which municipal advisor services have been provided.
J. A detailed fee schedule for the services to be performed.

Responses are limited to 10 pages, with standard margins and 12-point font.
